

Act 85, Session Laws of Hawaii 2000, amended the fuel tax provisions by repealing the requirements that fuel distributors submit information on the total number of gallons of fuel imported and information on the fuel distributors' inventory.

This Act is an initiative under the Lieutenant Governor's "Slice, Waste and Tape" or "SWAT" program.

The Fuel Tax forms are currently undergoing major revamping and were not available in time for this CD. Please use the current **Form M-24** (Rev. 1995).

When the revised forms become available, you may download the 2001 Fuel Tax forms from the Department's website at:
